EDUCATION

Master of Computer Applications, BVICAM, GGSIPU, New Delhi — 2022-24
CGPA 8.95 (1st Year)

SKILLS

Programming Ecosystem	Java, Data Structures and Algorithms, JavaScript, DBMS, SQL
Tools	MySQL, VS Code
Relevant Coursework	Data Structures and Algorithms, Object-Oriented Programming
Area of Interest	Web Design and Development, Database Management
Soft Skills	Problem Solving, Self-learning, Presentation, Adaptability
Languages	Hindi, English

PROJECTS

Gurukul (Team Size: 4)

- Developed a web application using JavaScript, MySQL and ReactJS library.

- Gurukul serves as an interactive platform where users can ask questions and engage in discussions. It enables users to seek knowledge and share insights.

- Created question and answer components, allowing users to ask questions and post answers.

- Ensured cross-browser compatibility and mobile responsiveness to cater to users on various devices.

Personal Portfolio (Individual Project)

- Created a dynamic Personal Portfolio Website using JavaScript.

- Ensured a responsive design, providing an immersive user experience across devices.

- Improved my skills in front-end development by working on this project.

ASSESSMENTS / CERTIFICATIONS

- Java(Basic) Problem solving(Intermediate)

- SQL(Basic) Problem solving(Intermediate)

ACHIEVEMENTS AND POSITIONS OF RESPONSIBILITY

- Successfully cleared the assessment for the skill Java(Basic) and SQL(Basic) at HackerRank.

- Solved more than 200+ Coding Problems on LeetCode of Data Structures Like Array, String and LinkedList.

- Achieved the 1st rank in the Chess tournaments held at Zakir Husain Delhi College (University of Delhi) in both 2017 and 2018.

- Organized Hackathon and handled 300+ students with the help of my team.

PERSONAL INTERESTS / HOBBIES

- Thoroughly enjoy tackling LeetCode problems.

- Chess is a game I love to indulge in during my free time.
